

PANTUM

PANTUM EFFICIENT OFFICE/ MAX SERIES

MONOCHROME LASER PRINTER

M7300/M7310/M7200/M6800/M7100/M6700
/P3300/P3020/P3010 Series

Pantum Efficient Office/Max series printers are the best choice for SMB and SME. Empower your productivity with high efficiency output, variety connection methods and lower print costs.

Business-Grade
Efficiency

Swift and Effortless
Operation

Resource-Saving
Design

Green Commitment

BUSINESS- GRADE EFFICIENCY

High-Speed and Reliable Printing

Offers 30ppm & 33ppm auto-duplex options, built with sturdy metal frames for durability and stability. Supports high-volume monthly printing with minimal jams and quiet operation.

Fast Duplex Document Scanning

The M7310 series comes with a 50-page duplex automatic document feeder, allowing for quick and efficient duplex scanning of multiple documents in a single pass.

Direct Scan-to-USB Functionality

Quickly scan and save your documents directly to a USB flash drive, providing a convenient and time-saving solution.

* Supported by multifunction models with ADF.

Secure and Intuitive 3.5-Inch Touch Screen

The M7310 series equipped with a 3.5-inch touch screen to simplify the operation process and easy for you to enter the password to release the print jobs.

SWIFT AND EFFORTLESS OPERATION

Instant Driver Setup in One Click

Eliminate setup headaches with a straightforward, one-click driver installation process, getting you ready to print in no time.

Print on the go with mobile solutions

Print from anywhere with support for AirPrint, Mopria, and the Pantum app, making it effortless to print from smartphones and tablets.

* Apple, AirPrint Mac and macOS are trademarks of Apple Inc., registered in the U.S and other countries. Use of the Works with Apple badge means that an accessory has been designed to work specifically with the technology identified in the badge and has been certified by the developer to meet Apple performance standards.
* Mopria makes it easier to print and scan from your Android and Windows. For Android, Mopria™ Print Service and Mopria Scan are available for installation in the Google Play™ store. If you want to get more information, please visit <https://www.mopria.org>
The Mopria™ wordmark and the Mopria™ Logo are registered and/or unregistered trademarks of Mopria Alliance, Inc. in the United States and other countries. Unauthorized use is strictly prohibited.

Dust-Protected 250-Page Paper Tray

Protect paper from Dust with an enclosed one-handed, easy-open paper tray with a 250-page capacity.

RESOURCE-SAVING DESIGN

Cost-Effective Toner and Drum Separation

Users can continue to print by simply replacing the toner cartridge, saving the cost of drum unit replacement and realizing lower cost with high-capacity toner cartridges.

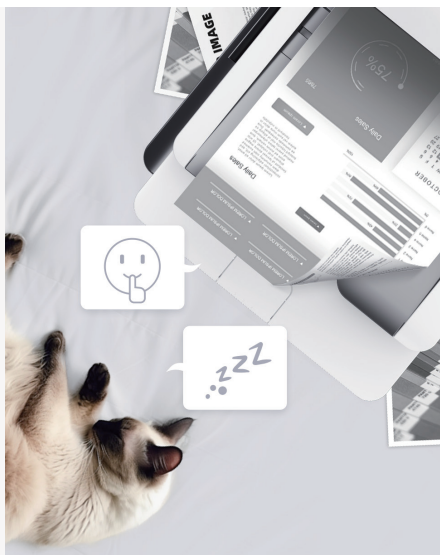

Economy Toner-Saving Mode for Savings

Optimize your budget with a toner-saving mode that reduces toner usage, extending cartridge life and delivering lighter prints without sacrificing quality.

Energy-Efficient Sleep Mode

Automatically enters sleep mode after a customizable period of inactivity, conserving energy and prolonging printer lifespan by powering down non-essential components.

GREEN COMMITMENT

Automatic Duplex Printing for Sustainability

Set all your print jobs to automatically print on both sides, reducing paper consumption and costs, and minimizing your environmental impact.

Eco-Friendly Toner Cartridges

The energy saving mode provides significant power savings and a corresponding reduction in CO2 emissions, contributing to energy saving and emission reduction.

Eco-Friendly Toner Cartridges

The Efficient Office/Max series uses premium, eco-conscious materials. Reduced powder usage and low-ozone emissions thanks to Pantum's contact roller charging system, creating a minimally impactful environmental footprint.

*Pantum's contact roller charging system
