PP-110 SERIES

Sleek, compact, and powered by a 1200mAh battery, this palm-sized printer delivers pro-level label printing. Bluetooth 5.2 (15m indoors/45m outdoors) enables wireless printing, while auto-alignment and a carbon steel cutter deliver flawless results every time. A 10-minute auto-shutdown keeps it ready when inspiration strikes. Your companion for on-the-go printing—portability that fits your pocket, performance that fits your purpose.
